Broker Agreement

AGREEMENT BETWEEN BROKER AND MOTOR CARRIER

THIS AGREEMENT, (the "Agreement"), made as of the ____ day of _____ 20____, by and between DEDICATED TRANSPORTATION, L.L.C., A Louisiana corporation with offices located at 311 Patterson Street, Lafayette, LA 70501 (hereinafter referred to as "BROKER") and _____ (hereinafter referred to as "CARRIER"), with both BROKER and CARRIER herein collectively referred to as the "PARTIES".

WITNESSETH:

WHEREAS, BROKER is duly licensed by the Federal Highway Administration, formerly the Interstate Commerce Commission (the FHWA"), to act as a broker of freight transportation in interstate or foreign commerce, arranging for transportation of lawful goods, equipment and other property (the "Goods"), (except household goods or products requiring special permits/licenses which CARRIER does not possess), operating pursuant to Docket number MC-596695, FHWA; and

WHEREAS, CARRIER is a duly licensed motor carrier operating under Docket number MC-_____ issued by the FHWA for the purposes of providing the transportation of goods for shippers and receivers of general commodities: and

WHEREAS, these parties desire to enter into the Agreement for the shipment of goods on a non-exclusive basis applicable to the PARTIES, all as hereafter described:

CARRIER agrees to accept lawful shipments of goods offered to it by BROKER subject to the capacity and suitable condition of CARRIER's transportation equipment, and its licenses and permits, and to transport such shipments to the destinations designated by BROKER.

CARRIER agrees that the required time of delivery of a shipment of goods is the essence of the Agreement. Accordingly, in the event CARRIER is unable to supply and deliver such shipments within the time required by BROKER, CARRIER shall so advise BROKER and the PARTIES may arrange to provide service at later date, or BROKER may, if it desires, elect to avail itself of the services of another carrier. The failure of a shipment to arrive by the agreed time shall constitute a default of CARRIER's duty and responsibility, while the rearrangement of shipment or BROKER employing another carrier shall not constitute a breach of the terms of this Agreement.

CARRIER shall be liable to the owner of the Goods for any and all loss or damage while transported by CARRIER under the terms of this Agreement. Liability will begin when the shipment is loaded onto CARRIER's equipment, terminating only after proper delivery is completed.

CARRIER shall indemnify and hold harmless BROKER any and all loss or damage claims made by the owner or shipper of Goods on shipments made by CARRIER pursuant to this Agreement. CARRIER shall pay any and all costs arising from claims made against BROKER arising out of CARRIER's operations hereunder, including but not limited to all road, fuel and other taxes, fees or permits relating to the shipments transported by CARRIER as arranged by BROKER. CARRIER shall padlock and seal every load that is hauled with BROKER.

CARRIER agrees and understands that CARRIER shall not at any time within (12) twelve months of the date of shipments tendered to CARRIER by BROKER, "back-solicit" shippers of Goods shipped pursuant to this Agreement. "Back-Solicitation" is herein defined as CARRIER asking the shipper to engage in transportation of the same freight handled through BROKER on a direct basis without BROKER contract. Should CARRIER perform services for such a shipper, CARRIER agrees to forfeit all monies owed by BROKER as well as paying BROKER 20% of all monies charges to shipper as a sales commission for the period of one year. CARRIER shall also be liable for any and all legal fees incurred by BROKER in the event legal proceedings are necessary to collect said amounts.

Broker Agreement

CARRIER agrees to maintain and keep in force and effect at its own expense a cargo liability insurance policy in a minimum of \$100,000.00 per vehicle covering all GOODS transported by CARRIER under the terms of this Agreement. CARRIER shall also maintain an automobile liability policy with a minimum of \$1,000,000.00 per single occurrence to protect BROKER, shipper and the general public. CARRIER shall also maintain a Workman's Compensation Policy with a minimum of \$100,000 per accident. CARRIER shall furnish to BROKER a Certificate of Insurance evidencing such insurance policies and naming BROKER as additional insured. CARRIER agrees that said policies shall expressly state that the insurance company waives its right of subrogation against the BROKER.

CARRIER agrees to immediately notify BROKER of any accident or event which impairs the safety of, or will materially delay delivery of, GOODS or shipment. CARRIER also agrees to use reasonable care and due diligence in the protection of said GOODS and CARRIER agrees to be solely liable for damages or loss of said GOODS without regard to whether or not CARRIER's negligence caused such damages or loss, notwithstanding anything in the applicable bill of lading or invoice to the contrary. A material delay is the failure of CARRIER to deliver the shipment by the agreed time of arrival of such shipment at its destination, unless such delay was caused by the shipper. Unless delay is caused by the shipper, CARRIER shall be liable for any and all charges caused by such delay, and BROKER is authorized to withhold a portion of CARRIER's compensation hereunder, provided such amount is paid to shipper at BROKER's sole discretion to satisfy shipper's claims for loss, damage, injury or delay arising out of the transportation of shipments under this Agreement by CARRIER.

CARRIER shall sign bills of lading or receipt acceptable to BROKER and underlying shippers on acceptance of GOODS and such receipt or bill of lading shall be prima facie evidence of receipt of such GOODS in good order and condition unless otherwise noted on the face of such document. All such documents shall show the actual consignor and consignee and the name of BROKER shall appear in the "Bill TO" section and in the "Special Instructions" section as being "shipped under contract authority with Dedicated Transportation, LLC."

BROKER agrees to offer for transportation to CARRIER, subject to the availability of suitable equipment, a minimum of three (3) shipments the initial and each subsequent term of this Agreement.

It is the intent of the PARTIES that CARRIER shall be and remain an independent contractor and nothing herein contained shall be construed to be inconsistent with that relationship. CARRIER agrees to assume full responsibility for all salaries, commissions, insurance, taxes, pension and benefits of CARRIER's employees and agents (including owner-operators) utilized by CARRIER in the performance of this Agreement.

BROKER agrees to pay CARRIER in accordance with the rate confirmation pertaining to each shipment of GOODS within thirty-five (35) days of receipt or CARRIER's invoice referencing BROKER's Rate Confirmation number, the original bill of lading and proof of delivery. CARRIER authorizes BROKER to invoice shipper, receiver, consignor or consignee for freight charges. Payment of the freight charges to BROKER, shall relieve shipper, receiver, or consignee of any liability to the Carrier for non-payment of charges.

CARRIER shall have no lien, and hereby waives its right to lien, upon any GOODS, shipment or portion of same or on any bond of BROKER.

Should any clause, sentence, section or paragraph of the Agreement be judicially declared invalid, unenforceable, or void, such decisions shall not have the effect of invalidating or voiding the remainder of the Agreement, and the PARTIES hereto agree that the part or parts of the Agreement so held to be invalid, unenforceable or void shall be deemed to have been stricken herefrom, and the remainder shall have the same force and effect as if such part or parts had never been included herein.

Broker Agreement

If any dispute arises about any matter covered by the terms of the Agreement, (a) the dispute may be first referred by both PARTIES to the American Arbitration Association (Herein called the initial arbitrator) who may be requested to make an initial, non-binding decision, (b) if that initial decision is not requested or accepted, the dispute must be submitted to the arbitration procedures of the American Arbitration Association. No court action can be taken by CARRIER prior to arbitration, and the decision of the arbitrating association shall be binding on CARRIER in any subsequent action in court.

INITIAL: _____

Except as required by law, the existence of this Agreement, its terms, conditions and provisions, including all information contained in any receipt, bill of lading or shipping document shall be confidential and shall not be disclosed by CARRIER to persons other than its officers, directors, agents, attorneys, accountants and auditors. BROKER has the right at its sole and absolute discretion to disclose any such information to one or more of its vendors, customers or consignees. The provisions of this section shall survive the termination, expiration or cancellation of this Agreement for the period of five (5) years.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.
